Chromatic Brilliance

Humanscale's global partnership with Kvadrat expands its textile portfolio with nine distinctive patterns and an extensive spectrum of 300 colors. This comprehensive selection offers a range of solutions across three textile grades and showcases six celebrated designers, including Raf Simons and Patricia Urquiola.

Humanscale **kvadrat**

Global Partnership

Design innovation, longevity, and sustainability are at the heart of Humanscale's global partnership with Kvadrat. The collaboration infuses a chromatic dimension for ergonomic design and hybrid work today, wherever it occurs – in the office, at home, or in third places.

By offering the Humanscale seating collection in a thoughtfully curated selection of nine Kvadrat textile designs, we aim to inspire architects and designers through a joint creative exploration and conscientious environmental stewardship.
